COMMUNICATION

Communication is key to a successful Chamber of Commerce. We are careful not to fill your inbox too often and are thoughtful about the emails we do send. Our e-newsletter is sent via email once per month and gives information on:

- Ribbon cutting events
- New members
- City of Princeton updates
- Princeton School District updates
- Board member highlights
- Chamber events
- Business highlights
- and more!

All Chamber members are listed on the Chamber website business directory and if you pay your dues prior to Jan. 15, you'll also be listed in the Princeton Community Guide.

EDUCATION

Starting in January 2020, our luncheons will be called Lunch and Learns. We are working to book speakers who can bring information and education that is relevant and timely to your business. Look for information on taxes and insurance, mental health in the workplace, social media and website work, and more!

We are also taking the year to revamp our Leadership Program and are excited to present some great learning opportunities in 2021. Join us on the committee!

NETWORKING

Join us the third Thursday of the month for our PACC Networking group, where different businesses have the opportunity to host the event and get "15 minutes of fame." It also gives you another chance to network with others and get in front of other businesses to share information about your business or organization.

In addition, each year, we offer a Round Table event at our Lunch and Learn, giving all businesses in attendance a chance to tell everyone a little bit about their business.

CERTIFICATE OF ORIGIN

If your company ships products globally, they may require a Certificate of Origin officially signed by the Chamber. Some countries also require written confirmation that your company is a registered member of the Princeton Area Chamber of Commerce.
